

Lindsay Young Downtown YMCA

Building Area: N/A

Date of Completion: 1929

Type: New Construction

Location: Knoxville, TN

Budget: N/A

This facility, still in use as the downtown YMCA in Knoxville, is the third oldest YMCA in the United States. BMa designed this landmark in the late 1920's and the facility was opened in 1929.

Over the past 80 years BMa has had a long standing relationship with the YMCA. We have master planned and provided design services for new construction, renovations, and additions to the YMCA facilities across Knoxville.
